Paycheck Protection Program
Second Draw Borrower Application Form for Schedule C Filers Using Gross Income
March 3, 2021

Purpose of this form:

This form is to be completed by the authorized representative of the Applicant and **submitted to your SBA Participating Lender**. Submission of the requested information is required to make a determination regarding eligibility for financial assistance. Failure to submit the information would affect that determination.

An Applicant that files an IRS Form 1040, Schedule C, and elects to calculate the PPP loan amount using gross income must use this form. An Applicant that files an IRS Form 1040, Schedule C, and elects to calculate the PPP loan amount using net profit must use SBA Form 2483-SD. An Applicant that files an IRS Form 1040, Schedule F, and calculates the PPP loan amount using gross income must use SBA Form 2483-SD.

Instructions for completing this form:

For purposes of reporting Year of Establishment, applicants may enter “NA”.

For purposes of reporting NAICS Code, applicants must match the business activity code provided on their IRS income tax filings, if applicable. For purposes of calculating an Applicant’s maximum payroll costs, an Applicant may multiply its average monthly payroll costs by 3.5 only if the Applicant is in the Accommodation and Food Services sector and has reported a NAICS code beginning with 72 as its business activity code on its most recent IRS income tax return.

For purposes of reporting Number of Employees, sole proprietors, self-employed individuals, and independent contractors should include themselves as employees (i.e., the minimum number in the box Number of Employees is one). For NAICS 72, applicants may not exceed 300 per physical location. Applicants may use their average employment over the time period used to calculate their aggregate payroll costs to determine their number of employees. Alternatively, Applicants may elect to use the average number of employees per pay period in the 12 completed calendar months prior to the date of the loan application.

For purposes of calculating Average Monthly Payroll for Employees (box C), Applicants must use the average monthly payroll for 2019 or 2020 for employees (not including the owner), excluding costs over \$100,000 on an annualized basis, as prorated for the period during which the payments are made or the obligation to make the payments is incurred, for each employee. The payroll year used must be the same as the tax year used for the gross income calculation (box A in either table). For seasonal businesses, the Applicant may elect to instead use average total monthly payroll for any twelve-week period selected by the Applicant between February 15, 2019 and February 15, 2020, excluding costs over \$100,000 on an annualized basis, as prorated for the period during which the payments are made or the obligation to make the payments is incurred, for each employee. For new businesses without 12 months of payroll costs but that were in operation on February 15, 2020, average monthly payroll may be calculated based on the number of months in which payroll costs were incurred, excluding costs over \$100,000 on an annualized basis for each employee, as prorated for the period during which the payments are made or the obligation to make the payments is incurred, for each employee.

With respect to Purpose of the Loan, payroll costs consist of compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips); payment for vacation, parental, family, medical, or sick leave (except those paid leave amounts for which a credit is allowed under FFCRA Sections 7001 and 7003); allowance for separation or dismissal; payment for the provision of employee benefits (including insurance premiums) consisting of group health care coverage, group life, disability, vision, or dental insurance, and retirement benefits; payment of state and local taxes assessed on compensation of employees; and wages, commissions, income, or net earnings from self-employment or similar compensation. This includes proprietor expenses, which means businesses expenses plus owner compensation.

If the Applicant is a qualified joint venture for federal income tax purposes ((1) the only members of the joint venture are a married couple who file a joint return and each file Schedule C, (2) both spouses materially participate in the trade or business, and (3) both spouses elect not to be treated as a partnership), only one spouse may submit this form on behalf of the qualified joint venture. For purposes of reporting Number of Employees, each spouse should be counted. For purposes of determining which table to use to calculate Loan Request Amount, if the Applicant has no employees other than the married couple, complete the table labeled “If you do not have any employees other than yourself, complete this table.” For purposes of calculating gross income, enter the sum of gross income (Schedule C, line 7) from both spouses. For purposes of calculating the Loan Request Amount, the amount entered in box B in either table is capped at \$8,333.33.

In determining whether the Applicant experienced at least a 25% reduction in gross receipts, for loans above \$150,000, the Applicant must identify the 2020 quarter meeting this requirement, identify the reference quarter, and state the gross receipts amounts for both quarters, as well as provide supporting documentation. For loans of \$150,000 and below, these fields are not required and the Applicant only must certify that the Applicant has met the 25% gross receipts reduction at the time of application; however, upon or before seeking loan forgiveness (or upon SBA request) the Applicant must provide documentation that identifies the 2020 quarter meeting this requirement, identifies the reference quarter, states the gross receipts amounts for both quarters, and supports the amounts provided. For all loans, the appropriate reference quarter depends on how long the Applicant has been in operation:

- For all Applicants other than those satisfying the conditions set forth below, Applicants must demonstrate that gross receipts in any quarter of 2020 were at least 25% lower than the same quarter of 2019. Alternatively, Applicants may compare annual gross receipts in 2020 with annual gross receipts in 2019; Applicants choosing to use annual gross receipts must enter “Annual” in the 2020 Quarter and Reference Quarter fields and, as required documentation, must submit copies of annual tax forms substantiating the annual gross receipts reduction.
- For Applicants not in business during the first and second quarters of 2019 but in operation during the third and fourth quarters of 2019, Applicants must demonstrate that gross receipts in any quarter of 2020 were at least 25% lower than either the third or fourth quarters of 2019.
- For Applicants not in business during the first, second, and third quarters of 2019 but in operation during the fourth quarter of 2019, Applicants must demonstrate that gross receipts in any quarter of 2020 were at least 25% lower than the fourth quarter of 2019.
- For Applicants not in business during 2019 but in operation on February 15, 2020, Applicants must demonstrate that gross receipts in the second, third, or fourth quarter of 2020 were at least 25% lower than the first quarter of 2020.

Paycheck Protection Program
Second Draw Borrower Application Form for Schedule C Filers Using Gross Income
March 3, 2021

Gross receipts includes all revenue in whatever form received or accrued (in accordance with the Applicant's accounting method) from whatever source, including from the sales of products or services, interest, dividends, rents, royalties, fees, or commissions, reduced by returns and allowances. Generally, receipts are considered "gross income" plus "cost of goods sold" and excludes net capital gains or losses as these terms are defined and reported on IRS tax return forms. Gross receipts do not include the following: taxes collected for and remitted to a taxing authority if included in gross or total income, such as sales or other taxes collected from customers and excluding taxes levied on the concern or its employees; proceeds from transactions between a concern and its domestic or foreign affiliates; and amounts collected for another by a travel agent, real estate agent, advertising agent, conference management service provider, freight forwarder or customs broker. All other items, such as subcontractor costs, reimbursements for purchases a contractor makes at a customer's request, investment income, and employee-based costs such as payroll taxes, may not be excluded from gross receipts. Gross receipts of an applicant must be aggregated with gross receipts of its affiliates.

For a sole proprietorship, the sole proprietor is considered the owner of the Applicant. For a limited liability company that has only one member and that is treated as a disregarded entity for federal income tax purposes and files Schedule C, the member is considered a sole proprietor and the owner of the Applicant. If the Applicant is treated as a qualified joint venture for federal income tax purposes (the only members of the joint venture are a married couple who file a joint return and each file a Schedule C), both spouses are considered sole proprietors and owners of the Applicant.

For purposes of reporting (optional) demographic information:

1. **Purpose.** Veteran/gender/race/ethnicity data is collected for program reporting purposes only.
2. **Description.** This form requests information about each of the Applicant's Principals. Add additional sheets if necessary.
3. **Definition of Principal.** The term "Principal" means:

Privacy Act (5 U.S.C. 552a) – Under the provisions of the Privacy Act, you are not required to provide your social security number. Failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. (But see Debt Collection Notice regarding taxpayer identification number below.) Disclosures of name and other personal identifiers are required to provide SBA with sufficient information to make a character determination. When evaluating character, SBA considers the person's integrity, candor, and disposition toward criminal actions. Additionally, SBA is specifically authorized to verify your criminal history, or lack thereof, pursuant to section 7(a)(1)(B), 15 U.S.C. 636(a)(1)(B) of the Small Business Act.

Disclosure of Information – Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act. The Privacy Act authorizes SBA to make certain "routine uses" of information protected by that Act. One such routine use is the disclosure of information maintained in SBA's system of records when this information indicates a violation or potential violation of law, whether civil, criminal, or administrative in nature. Specifically, SBA may refer the information to the appropriate agency, whether Federal, State, local or foreign, charged with responsibility for, or otherwise involved in investigation, prosecution, enforcement or prevention of such violations. Another routine use is disclosure to other Federal agencies conducting background checks but only to the extent the information is relevant to the requesting agencies' function. See, 74 F.R. 14890 (2009), and as amended from time to time for additional background and other routine uses. In addition, the CARES Act, requires SBA to register every loan made under the Paycheck Protection Program using the Taxpayer Identification Number (TIN) assigned to the borrower.

Debt Collection Act of 1982, Deficit Reduction Act of 1984 (31 U.S.C. 3701 et seq. and other titles) – SBA must obtain your taxpayer identification number when you apply for a loan. If you receive a loan, and do not make payments as they come due, SBA may: (1) report the status of your loan(s) to credit bureaus, (2) hire a collection agency to collect your loan, (3) offset your income tax refund or other amounts due to you from the Federal Government, (4) suspend or debar you or your company from doing business with the Federal Government, (5) refer your loan to the Department of Justice, or (6) take other action permitted in the loan instruments.

CERTIFICATION REGARDING BENEFICIAL OWNERS OF LEGAL ENTITY CUSTOMERS

I. GENERAL INSTRUCTIONS

This is an optional form provided for your convenience. The required information may be provided in other formats. When completed, this form is provided to the financial institution where the account is opened. DO NOT SEND TO FinCEN.

Where may I obtain a copy of the form?

A copy (pdf) may be downloaded from the FinCEN website at www.fincen.gov under the “Filing Information” tab. The form may be completed on a computer using the free [Adobe Reader](#) software.

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

This form must be completed by any person opening a new account on behalf of a **legal entity** with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; (v) an introducing broker in commodities.

For the purposes of this form, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

When you open a new account on behalf of a legal entity, the financial institution will ask for information about the legal entity’s **beneficial owner(s)**, including their name, address, date of birth and social security number (or passport number or other similar information, in the case of Non-U.S. persons). The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

Beneficial owners are:

- (1) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (*e.g.*, each natural person that owns 25 percent or more of the shares of a corporation; **and**
- (2) An individual with significant responsibility for managing the legal entity customer (*e.g.*, a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (1), depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section (1), you must provide the identifying information of one individual under section (2). It is possible that in some circumstances the same individual might be identified under both sections (*e.g.*, the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (2)), and up to five individuals (*i.e.*, one individual under section (2) and four 25 percent equity holders under section (1))

a legal entity may have multiple “beneficial owners,” this form requires you to list only those that own 25% or more (up to five) under each of the two prongs of the definition above. If appropriate, the same individuals may be listed under both prongs.

PAYCHECK PROTECTION PROGRAM SECOND DRAW LOANS

The Paycheck Protection Program (PPP) now allows certain eligible borrowers that previously received a PPP loan to apply for a Second Draw PPP Loan with the same general loan terms as their First Draw PPP Loan. Second Draw PPP Loans can be used to help fund payroll costs, including benefits. Funds can also be used to pay for mortgage interest, rent, utilities, worker protection costs related to COVID-19, uninsured property damage costs caused by looting or vandalism during 2020, and certain supplier costs and expenses for operations.

Full Forgiveness Terms

Second Draw PPP Loans made to eligible borrowers qualify for full loan forgiveness if during the 8- to 24-week covered period following loan disbursement:

- Employee and compensation levels are maintained in the same manner as required for the First Draw PPP loan;
- The loan proceeds are spent on payroll costs and other eligible expenses; and
- At least 60 percent of the proceeds are spent on payroll costs.

Targeted Eligibility

A borrower is generally eligible for a Second Draw PPP Loan if the borrower:

- Previously received a First Draw PPP Loan and will or has used the full amount only for authorized uses;
- Has no more than 300 employees; and
- Can demonstrate at least a 25% reduction in gross receipts between comparable quarters in 2019 and 2020.

Maximum Loan Amount and Increased Assistance for Accommodation and Food Services Businesses

For most borrowers, the maximum loan amount of a Second Draw PPP Loan is 2.5x average monthly 2019 or 2020 payroll costs up to \$2 million. For borrowers in the Accommodation and Food Services sector (click [HERE](#) for NAICS 72 to confirm), the maximum loan amount for a Second Draw PPP Loan is 3.5x average monthly 2019 or 2020 payroll costs up to \$2 million.

How and When to Apply

Borrowers can apply for a Second Draw PPP Loan until March 31, 2021, through any existing SBA 7(a) lender or through any federally insured depository institution, federally insured credit union, eligible non-bank lender, or Farm Credit System institution that is participating in PPP. All Second Draw PPP Loans will have the same terms regardless of lender or borrower. A list of participating lenders as well as additional information and full terms can be found [HERE](#).

Ensuring Access for All

SBA continues to call upon its lending partners, including Community Development Financial Institutions (CDFIs) and Minority Depository Institutions (MDIs), to redouble their efforts to assist eligible borrowers in underserved and disadvantaged communities. At least \$25 billion is being set aside for Second Draw PPP Loans to eligible borrowers with a maximum of 10 employees or for loans of \$250,000 or less to eligible borrowers in low- or moderate-income neighborhoods. To promote access for smaller lenders and their customers, SBA will initially only accept Second Draw PPP Loan applications from community financial institutions starting on January 13, 2021. The PPP will open to all participating lenders for Second Draw PPP Loans shortly thereafter.
